

Obsolescence Notification

Subject: Obsolescence Notification for the following products – **PDU80, FDA160i, IBU160i, FTSU200**

This letter serves as formal notification that **PDU80, FDA160i, IBU160i, FTSU200 products** are being **discontinued** and have reached **End-of-Life (EOL)** status as of 06/30/2025.

After careful review of component availability, production costs, and lifecycle commitments, we will no longer be able to manufacture this product beyond the date listed.

Key Dates

- **Last Time Buy Order Deadline:** first come/ first serve basis 06/30/2025
- **End of Support / Service Date:** 06/30/2026 first come first/ serve basis

We encourage customers to review their long-term requirements and current installations of the products referenced above in the field. All orders submitted during this period will be **non-cancelable and non-returnable (NCNR)** provided modules/components are available in inventory.

Recommended Replacement

Brandywine Communications recommends the following products as replacement:

- **Replacement Product:** FDU240, IBU240, FTSU100

Our team is available to assist with product comparisons, technical evaluations, or transition planning.

Support Commitment

Brandywine will continue to honor all current warranty obligations contingent upon ability to complete the repair and will provide post-EOL support through the dates listed above, subject to parts availability.
