

Ref: Last Time Buy Notification

Date: December 2025

To: Whom it May Concern

Dear Valued Customer

Re.: Last Time Buy Notice for M210/M211

We are writing to formally notify you that the M210/M211 Product Family has reached End of Life (EOL) and will be discontinued as from 30 June 2025.

After a careful review of component availability, production costs, and lifecycle commitments, we will no longer be able to manufacture this product beyond the date listed.

Key Dates

- Last Time Buy Order Deadline: First come/ first served basis 30 June 2025
- End of Support / Service Date: First come/first served bases 30 June 2026

We encourage you to review your long-term requirements and current installations of M210/M211 products in the field. All orders submitted during this period will be non-cancelable and non-returnable (NCNR), provided modules/components are available in inventory.

Recommended Replacement

We recommend the M212 and MMC (Modular Master Clock) as replacement products for the M210/M211 and our team is available to assist with product comparisons, technical evaluations, transition planning and product demonstrations.

Support Commitment

We will continue to honor all current warranty obligations contingent upon ability to complete the repair and will provide post-EOL support through the dates listed above, subject to parts availability.

Contact Information

For questions you may have regarding this notice, technical support, or assistance with forecasting or planning, please contact orders@brandywinecomm.com

We thank you for your continued business and trust in our products and services.

Yours sincerely

Business Development Team
